Minutes of the Internal Quality Assurance Cell meeting held on 10/06/2021

The first meeting of IQAC was successfully held today on 10/06/2021 and the minutes of the meeting are as noted below.

1. Welcome Address :

Principal Dr. Anjali R. Mascarenhas presented the welcome note and highlighted the importance of the IQAC meetings in the policy making and daily administration of the institution. She further assured that the IQAC meetings will be conducted on regular basis to ensure continuous following up on the resolutions passed.

2. Approval of minutes of previous meeting

Minutes of the previous IQAC meeting conducted on 08/08/2020 were read and confirmed by the committee

3. Admission related process for AY 2021-2022

It was resolved that Approval of AMC to Principal Software for Admission

Admission process amid pandemic situation is a challenging task as it may pose threats of coronavirus infection to students as well as staff members.

It was resolved that the admission process for AY 2021-2022 will be conducted in online manner.

4. Teaching – Learning online platform

In the current pandemic situation, teaching learning process will have to be conducted in online manner the the government directions regarding re-opening of offline classes are issued.

It was resolved that, two zoom subscriptions will be requested to management and additional two subscriptions will be purchased through contribution of teachers for the first half of the AY 2021-2022

5. Review of newly developed exam portal www.fysyty.in

Due to timely guidelines from university the institute asked our vendor M/s Aaditi Computers to develop a new exam portal exclusively for our institute and as per our discussion, the vendor had conducted last held exams on this new exam portal.

Students feedbacks via calls, whatsapp messages to subject teachers showed that it was more easier for the students to adopt to new portal due to continuous efforts by subject teachers

of resolving students technical issues since the start of lockdown and the new system needs some changes like a simple login interface without any images for faster loading in low network areas, to provide cloud base server hosting for more stability and speed.

The vendor was instructed over phone to implement these minor changes to the portal to which the vendor has agreed to be done within 2 working days, else the students are completely satisfied and happy with the new portal due to sheer ease of use and display of attempted question, left out question, marked to be reviewed later in case of confusion. Overall the IQAC found the portal to be serving its cause well and satisfactorily.

6. Developing an solution for customized personal messaging to students via WhatsApp

Due to pandemic, every time there is a need to message students for different reasons example sharing user names and passwords require custom messaging tool, the committee discussed the issue with our exam portal vendor M/s Aaditi Computers if any solution could be provided by them to which the vendor has assured an easy to use excel based tool would be provided at the earliest without any charges.

7. Any other issues

Value added courses help students to acquire necessary skills in terms of employability. It was resolved that various departments will conduct value added courses in online manner.
