Our College librarian Mr. V. S. Thakare conducted the Blood Pressure check-up activity for the teaching and non-teaching staff members on 14/12/2018. The check up revealed that some of the members were having high blood pressure which needs to be taken care of. It was followed by the discussion among the staff members about the importance of healthy life style for leading a happy and stress-free life.

2) Celebrating birthdays of Teaching and Non-Teaching Staff Members

Class four non-teaching member Mr. Kisan Bhalerao's birthday was celebrated in the Principal's cabin. Such kind of celebration creates healthy working relationship among staff members. It works as morale booster for the employees as the members from different sections involve in the joyous moment of an employee's life.
